

## THANK LETTER

Dear Carolyn Dixon,

I would like to take this opportunity to officially thank you for attending the NYSENAC meeting in Saratoga Springs on April 29, 2017. We value your opinions and support of the Brooklyn Staten Island Chapter at the State as well and the local level. As you heard at the meeting from our national leaders, ENA is doing new and exciting things this year. The board of directors of the Brooklyn Chapter is looking to be an intricate part of this movement. We need your help to make 2017-2018 a banner year for our chapter. Help us put our chapter in the forefront.

If you have any questions or ideas please feel free to contact the chapter president Nicole LeRouge or myself at any time.

Sincerely,

**Nicole LeRouge**
