APRIL 19 - 20, 1985

Buffalo, New York

TRACT I

Friday, April 19, 1985 8:00 AM - 6:00 PM
Saturday, April 20, 1985 8:00 AM - 4:00 PM

THE NURSE AS PART OF THE TRAUMA TEAM

Judy Stoner Halpern, RN, MS, Course Coordinator

This is a 16 hour course designed to introduce the nurse to resuscitation of the trauma patient within the first one to two hours post-injury. Lectures are supplemented with clinical practicum in trauma assessment (with moulaged victims), use of equipment, diagnosis and stabilization.

This course is recommended for nurses who:

- practice with physicians trained in Advanced Trauma Life Support.
- receive major trauma in their departments.
- are recent to emergency nursing; or
- desire reinforcement/review of initial trauma care.

(Although this course parallels ATLS in content, it does not provide instruction in performing advanced life support skills).

Certificates will be awarded upon completion of the course.

REGISTRATION IS LIMITED - 30

*Sponsored in cooperation with:
Bronson Methodist Hospital
Trauma and Emergency Center
Kalamazoo, Michigan

TRACT II

Friday, April 19, 1985 8:00 - 6:00 PM
Saturday, April 20, 1985 8:00 AM - 4:00 PM

ADVANCED CARDIAC LIFE SUPPORT PROVIDER

Craig Thrasher, Course Coordinator

This course is an intensive program that has been designed to meet the Standards of the American Heart Association for training and certifying participants as Providers in Advanced Cardiac Life Support. Course will consist of two (2) eight hour sessions to include lectures, teaching stations, and testing stations. Certification depends upon achieving satisfactory performance in the written examination and at the testing stations.

*Prerequisite for registration is a current American Heart Association or American Red Cross Basic Life Support (CPR) certification card. A photocopy of the certification card must be attached to your application.

ENTRANCE to this course will be permitted only with the completion of all ACLS forms sent prior to the conference.

REGISTRATION IS LIMITED - 30

TRACT III

Friday, April 19, 1985 8:00 AM - 4:00 PM
Saturday, April 20, 1985 8:00 AM - 4:00 PM

On Friday, April 19, issues pertinent to Emergency Nursing in the 80's will be presented. Professionalism in nursing, the demise of professional organizations and the role of the paramedics in the E.D. will be discussed. Saturday, April 20, is dedicated to Pediatrics in the Emergency Department. Many aspects will be covered including trauma assessment, CPR, crisis intervention and psychosocial concerns.

SPECIAL EVENTS

Keynote Address - Professional Image

Judith Laughlin, RN, PHD is president of the Management Development Group - a division of Meszarus Associates, Inc. She is an assistant Professor at SUNY Buffalo.

This presentation will define image and show how it impacts on our profession. It will help you to plan your career more effectively and balance the multiple roles of work, family, education and play. You will learn to package yourself for success.

Color Me Professional - Luncheon

A special luncheon presentation by Norma Bradley of "Color Concepts" in Amherst, New York. Learn how colors can effect your image.

15th Anniversary Awards Luncheon

A celebration of ENA'S 15 years with special recognition given to outstanding Emergency Nurses.
