

Injury Prevention Committee Report  
October 29, 2016

Based on survey results electronic submission of chapter/member injury prevention activities is coming soon. A draft has been developed and features:

- Activity Name
- Chapter
- Type of activity: injury prevention category
- Number of participants
- Presenters

Injury prevention web site links are ready for update. The links will be sent to Martha to group with additional web site updates.

In planning to meet injury prevention needs identified by New York State ENA members a call for committee members will be sent out. Goals for next year will be focused on:

- Injury Prevention Webinar
- Updated Links
- Newsletter updates
- Preparation of state report for National ENA reporting
- Preparation for NYS ENA annual injury prevention update

Respectfully submitted,

Cristy Meyer, MSN, RN, CEN, TCRN
