. Presentation Title

Bizarre and Spectacular Aspects of EKG's

Summary

This entertaining session will explore some common and not so common evaluations of multiple 12 lead EKG's. The participant will leave with an inquisitive eye at the next EKG and hopefully a few new tools.

Learning Objectives.

1. Describe a systematic method for evaluating a 12 + lead EKG.
2. List several not so common findings on case study EKG's.
3. Define a plan of care for bizarre and spectacular EKG findings.
