Welcome to Setting the Pace 2015!

Promoting Safe Practice and Safe Care

What factors do you consider when deciding to attend a professional conference? Certainly topics that address your clinical and professional needs, knowledgeable speakers, a good value for the cost, a central location and maybe some fun options. This year the committee has used all of these criteria to plan our 35th New York State Conference. Did you know that the First New York State Conference was held in 1980 and it was the 3rd state conference held in all of ENA? Some of the topics at that conference -chest and abd trauma, management issues and a discussion of radiation exposure in light of Three Mile Island. How much and how little has changed.

This year’s speakers will present clinical topics to match the patient presentations we see daily - trauma, pediatrics, stroke, medical. But we also have expanded to meet your professional practice challenges. We are pleased to host representatives of the NYS Board of Nursing and SPAN (Statewide Peer Assistance for Nurses) . We are closing with a fun and thoughtful examination of what our professional practice really entails. And we are playing Jeopardy!!

Our Exhibitors continue to be key to the success of the conference and we enjoy sharing our social time with them. Some of them have been with us almost since the beginning. You will be able to meet them and socialize at out opening reception Friday Eve. And in case you have not been to Saratoga Springs in the past you can plan to visit the spa, racino, or any of the wonderful sidewalk restaurants and bistros.

Like any aspect of health care, Emergency Nursing requires constant attention, growth, and renewal. It is your challenge to achieve these goals and our challenge to provide that opportunity for you. So join us at SETTING THE PACE 2015. We are back in Saratoga at your request (we do read those evaluations!). We have the ability for you to buy the basket raffle tickets to support the 9/11 Scholarship Fund on site with your credit cards. I invite any of our past NYSENA leadership to join us for the fun and shared memories.

As we see our newer nurses at the conference and talk with them, we realize that the passion to be an emergency nurse does not change. We encourage you to join us, to learn, to share, to inspire and be inspired and to laugh and relax!!!

Call for Poster Presentations

(And Best Evidence Practice Papers)

NYSENA is seeking research and evidence-based practice abstracts that address emergency care issues including clinical, education and injury prevention for presentation at the 2015 conference.

Abstract Guidelines

The paper and poster sessions are focused on topics that are of interest and importance to nurses, managers, educators, researchers and others who practice in emergency care settings.

Abstracts must reflect either completed projects or projects in the final stages of completion with results available for inclusion in the poster presentation. Suggested topics include, but are not limited to, abstracts which address clinical practice, education, research, injury prevention, quality & patient safety, trauma, government affairs, pediatrics, telephone triage, emergency medical services, forensics, etc.

Authors may submit abstracts for more than one paper and/or poster. ENA prefers to accept posters and papers from a variety of authors. A primary presenter is the individual who registers for the conference (registration is required) and who presents the paper or poster at the conference.

This presenter will have their poster hung at the conference but the presenter does not need to stay at poster, they may attend classes at the conference.

Poster Awards Program: Sponsored by the NYSENA, the Poster Awards Program is open to all authors of presented posters (both ENA members and non-members). Two awards will be given out – one for the best Research poster, and one for the best Evidence-based Practice poster. To be eligible for this award, the poster must be set up at the start of the conference - NO exceptions. Additional information is available contact [Ivy Budhai-Henry at BoardMember@nysena.org](mailto:Ivy.Budhai-Henry@nysena.org)

Submission Deadline: April 3, 2015
