Setting the Pace 2020

Welcome to Setting the Pace 2020!

Dear Emergency Nurse,

We are so excited that 2020 is the ENA 50th Anniversary of the inception of our organization!

The NYS ENA will be celebrating this historic event during our annual conference, **Setting the Pace**, April 23-24, 2020 in Saratoga Springs, New York. This celebration has provided the opportunity to reformat the schedule for sessions, increase time with our exhibitors and have two days full of stimulating, thought-provoking topics, along with a celebration Gala!

Our conference begins on Thursday, April 23, 2020 at the Holiday Inn in Saratoga Springs with National ENA 2020 President Mike Hastings and a surprise from the distinguished filmmaker, Carolyn Jones. The formal Gala celebration is Thursday evening and the conference "closer" is National ENA Board of Director, television personality and dedicated humorist, Terry Foster.

Don't forget to bring your formal wear and be ready to dance, laugh and celebrate the past with old and new friends! **We are thrilled to be sponsoring the Gala for all conference attendees this year.**

We will once again have the successful "Bingo Card" with Exhibitors. We will also have a "Scavenger Hunt" with posters and our famous raffle at the end of conference featuring "50th Golden Anniversary Baskets."

The **Setting the Pace** conference is always a wonderful opportunity for Emergency Nurses to unite and reinvigorate your passion for Emergency Nursing!

We have been advised to reserve hotel accommodations early as rooms at Holiday Inn and surrounding hotels are limited due to several functions scheduled in Saratoga Springs. Please contact the Holiday Inn by phone at: (518) 584-4550. Use code "E50" for reservations.

See you at the "50th" - April 23rd and April 24th at the Holiday Inn in Saratoga Springs!

Yours,

Present your best practice and research projects addressing the many challenges today's Emergency Department nurses, manager, leaders, researchers and healthcare providers are facing every day at the 2020 Conference.

Poster Abstract Categories

- Research Posters should include information about the process and results of a study aimed at generating new knowledge relative to a specific research question to advance clinical practice.
- Evidence-based practice Posters should include information about the process and results of identifying and implementing evidence guiding practice change that is aimed at advancing clinical practice.

Poster Presentation Guidelines

- Poster presentations will be most effective if they are organized into clearly defined sections such as title, author, author affiliation, abstract, background, methodology, data, results, conclusion, and references.
- Design graphs, charts, and tables to show results. Avoid presenting too many variables on a single graph or chart.
- A scavenger hunt type game is being developed based on the information presented in your posters. A prize will be awarded for those conference attendees who can answer questions presented on your work.
