

Emergency Department Violence Prevention Panel Member

Jonathan Nover, MBA, BSN, RN

Chair, NYSENA Government Affairs Committee

Jonathan Nover has served NYC with over 15 years of progressive nursing leadership experience in the Emergency Services hospital sector. He has experience leading level 1 and 2 trauma centers, academic emergency medicine training sites, and the community hospital emergency department setting. Additionally taking on concurrent roles overseeing hospital Patient Experience, Critical Care Services, and Med-Surg. Inpatient Services. Jonathan's work has extended to the community as well, he serves as chair for the NYSENA Government Affairs Committee, and he has partnered with the NYC Board of Education by developing education sessions on the prevention of Opiate and Vaping use for hundreds of junior HS students. He has also advocated for grants that have awarded SAFE training. Lastly, Jonathan was awarded the NYS 1199 Nurse of Distinction for Leadership (2022) and a NYC Proclamation by Mayor Eric Adams (2021).
