# Events and Hotel Information

## Events

Our opening reception is a great way to meet new ENA friends and renew old friendships as you plan your "Night on the Town in Saratoga." The Saratoga area offers everything to help relax and energize you. This area is home to famous mineral baths and spas, museums, inns, and the race track. Saratoga Springs offers restaurants, bistros, brew pubs, street cafes, and specialty shops, many within walking distance of the hotel. There are parks for walking and of course, a few golf courses! While racing is not yet in season, the Racino is always open to tempt you to test your luck on the slot machines. Saratoga Springs is easily accessible by car, rail, or air and provides for a fantastic weekend getaway.

Our closing reception and traditional basket raffle have become events attendees look forward to. There are baskets to suit everyone's tastes, and all proceeds go to the ENA Foundation New York State September 11 Undergraduate Scholarship Fund. This scholarship provides financial assistance to prehospital emergency workers and fire and police personnel who are becoming registered nurses.

The quarterly meeting of the ENA New York State Council will be held on Saturday, April 25th. The meeting is open to any ENA member. Guests are allowed with permission from the board.
