

May 16, 2010

To Our EMS Colleagues,

The week of May 16th to 22nd marks the 37th celebration of National Emergency Medical Services Week. The theme this year "Anytime. Anywhere. We'll be there." demonstrates the commitment that you make to all our communities. You heroically offer your time, expertise, knowledge and compassion to provide care to those in need, often under daunting circumstances, twenty four hours a day, three hundred and sixty five days a year.

At this time, we applaud and celebrate your extraordinary efforts and dedicated service in providing the vital first link in emergency care.

On behalf of the New York State Emergency Nurses Association, we commend the more than 58,000 EMS providers in our state who assist us with their dedication and service to our emergency patients. Thanks for all you do.

Congratulations on a job well done.

Sincerely,

Deb Taylor, President
