**2023 NYSENA President**

**January 5, 2023**

### **NYSENA President's Message**

I am honored to serve as the 2023 President of NYSENA. The new year offers the opportunity to refocus our efforts on increasing membership as well as increasing member participation in New York State committees and special events throughout the year.

At the end of January, several of our state leaders will attend the ENA Leadership Orientation in Scottsdale, Arizona. As the event title implies, we will be meeting with national ENA leadership to network, participate in leadership training and education, and gain insight into the workings of ENA and how we as state leaders, can support ENA's mission, values, and goals within New York State.

NYSENA offers opportunities for networking and collaboration with your ED nursing colleagues. There are committees available for you to join; regional community education activities in which you can participate; and exciting events like the 2023 NYSENA Setting the Pace conference scheduled for April 26-28 in Saratoga Springs, NY

Come together with us at state meetings via Zoom and in-person. We look forward to meeting you and welcoming you to an ever-broadening organization that is focused on the health, wellbeing, and education of its members.

Check out the NYSENA website at [www.NYSENA.org](http://www.NYSENA.org) and/or the mobile app for links to committees, education calendars, social media feeds and so much more.

Thank you for being EN Strong in 2023  
Linda Yonkin, MSN, RN, CEN  
2023 NYSENA President
