## Presidents message..... "Back to Basics"

I am honored and excited to be the 2019 NYS ENA President. My mission for 2019, "Back to the Basics", evolved from a retrospective look at our emergency nursing history in preparation of our 50th anniversary in 2020, as well as to connect, or, reconnect with emergency nurses across the state to rediscover our "whys" and our "whats". Why did you become an emergency nurse? What were the events, triggers, catalysts, role models that navigated you to the professional career as an emergency nurse?

Nursing is an art and a science, and most of us have experienced that connection we make with our patients and their families during both their most difficult times, and, their most joyous times. These events are what fuels our spirit and reinforces our love of emergency nursing. You will have the opportunity throughout the year, as well as at the NYS ENA annual conference, "Setting the Pace", to share your "whys" and your "whats". I look forward to sharing that connection with you. See you in Saratoga Springs!  
Mary Ann Teeter

## We are Off to the Races in Saratoga Springs!

### Race day reception party!

Let's celebrate day one at the conference, Thursday April 11, with an evening of food, music, games, and a chance to network and socialize with friends, new and old.

A cash bar will also be available.

So, ladies, put on your fascinator and pearls, men, have your bowler buffed! The perfect hat is meant to complement and complete your race day reception party outfit.

### It's Raffle Time!

It's time for what we have all been waiting for—our annual basket raffle! This year's theme, Winner's Circle goes along with our conference racing theme and the chapter with the "best" themed basket (as judged by our vendor reps) will win a year's membership for a member in their chapter!

Items and basket donations are welcome along with the baskets each chapter will be donating.

Each year, through the support of our state councils and our members, the ENA Foundation awards thousands of dollars in scholarships to aspiring nurses as well as those aspiring to higher education. This includes several scholarships supported by the money donated by NYS members.

If you or someone you know is seeking to grow their knowledge and enhance patient care, take a moment to check them out.

The submission period for 2019 ENA Foundation Academic Scholarships is March 1 through April 28, 2019.

## Keeping warm at the February meeting with a paint and sip!

NYS ENA Council members got together for an amazing and fun evening at Uncorked Creations in Binghamton for a paint and sip friday night before our Feb 2 state council meeting. While we listened to their fun playlist of songs, snacked on munchies and of course enjoyed a glass or two of our favorite drink, we explored our creative sides. Who knew NYSENA had so many artists!

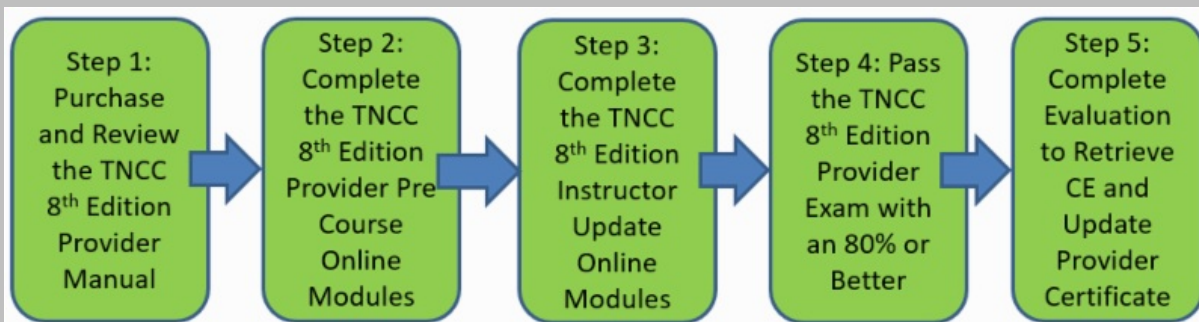

Maria Giganti very focused on her work!
