Discussion: Current membership 2488, decreased from previous quarter. We had 4 student nurses attend our conference on scholarship.

The committee decided to continue our recruit-ting efforts with student nurses next year and will review the letter and application at the next meeting. The Membership 2020 campaign is ongoing and Gwen Williams has 38 and Mary Harwood has 26 new members.

We are looking for past presidents contact information for the 50th celebration, missing are Mary Mallory, Doreen Mulholland, Bonnie Shaw, Ann Marie Tyrell, and Fran Sisko, if anyone has information please let us know.

The August meeting raffle items are CHATT and Genesee Valley.

It was discussed that for nest year we should evaluate a plan for using credit cards for events at the conference. The basket raffle theme this year was winners circle and Genesee Valley was the prize winner. The state challenge is ongoing and funds raised at the conference were substantial. Thanks especially to Karen Taggart for “passing the bank”, Ivy Henry for her donation of NYS pins, and Sandi Tetler for her hair extensions. Discussion about supporting Pennsylvania with their endowment for Millie Fincke will be ongoing.
