Other Committee	
Date	11/16/26
Chapter Committee News	Meeting called to order at 1900 on Thursday, November 12, 2026. Welcome and introduction of members in attendance. Reminder that all previous meeting minutes are available on NYSENA website. Old Business: No new updates for TNAC. New Business: Mary Ann discussed with ENA regarding TNCC Provider cards and asked if the current course edition be added to the cards. ENA took it under advisement. ENA and NYSENA prefer all students provide personal email and not work email for TNCC and ENPC courses. Course Directors are encouraged to have and enforce a cancellation policy for students. Mary Ann asked for examples so a standard can be established. Course Directors are also reminded that if the students have not completed the pre course requirements, the students are not eligible to attend the course. The deadline for completion may be determined by course director. ENPC - the 7th edition is available. Reminder to all NYSENA ENPC Instructors that the 7th edition manual is eligible for reimbursement from NYSENA. The 6th edition sunsets December 31, 2026. Injury Prevention - no available report. Next meeting is December 10th at 1900. Meeting adjourned at 1945.
